PLAYFUL MINDS WORKSHOP

A RESPITE FOR PARENTS

AGES 6-11

SATURDAY, OCTOBER 26

12:00PM – 2:00PM

Join us for a special one-day workshop designed for parents seeking a well-deserved break while providing their children with valuable social learning opportunities. Drop off your kids for an engaging and therapeutic experience led by a licensed therapist, where they'll participate in fun activities that foster social skills, communication, and emotional growth. While you enjoy some time for a date night, grocery shopping, or simply a moment to recharge, your children will connect with peers in a safe, supportive environment. This workshop is a perfect blend of self-care for parents and enriching experiences for kids!

\$50

Space is limited!
